Complaint briefly stated: My former address was 510 S. 9th Avenue, Maywood, IL 60155. I moved to the above address September 20, 2004.

At the former address, I had a basement apartment for rent to the tenants and they paid their own electric and gas (cooking only). The meters were separate from mine. The utilities companies sent their Meter Reader to read the meters for each tenant.

The last tenant did not pay her bills, nor her rent. It took me over six months to have the Sheriff Department remove her belongings, plus court costs and attorney fees.

I called ComEd on 9/16/04 to read the meter and shut off the electricity on 9/17 but before 9/20/05, because I was moving that day. The house (510 S. 9th Avenue) was sold 12/03/04; however, ComEd billed me up to 12/30/04. And transferred the tenants' past due charges to my account.

Please have ComEd to correct my account, not "transferring" the tenants' account to me. I have the Bills that go back for several years to prove this "transferring".

Thank you.
